BR

Text Extremes

Very small text (10px) — can you even read this?

BIG

This is an extremely long single line of text that goes on and on and on without wrapping to test how SlideKit handles very long unwrapped text content that extends way beyond what you would normally expect in a slide element

Tight line-height (1.0)
Second line
Third line

Wide line-height (2.5)

Second line

Third line

cardGrid Layout

Card 1

Short content

Card 2

This card has significantly more content to test how the grid handles uneven heights across columns.

Card 3

Medium text

Card 4

Content

Card 5
